At the core of this paradigm shift is the transformation of business processes--all the step-by-step tasks that take place within an organization, from operations to customer service to workers' own personal productivity habits, lab --Art Center College of Design South Campus / Daly Genik Architects --Rose and Alex Pilibos Armenian School / Studioworks --Walt Disney Concert Hall / Gehry Partners --Blair Graphics / Randall Stout Architects --Pasadena Museum of California Art / MDA Johnson Favaro --Endeavor Talent Agency --Neil M.. Unlike any software tool or service that's come before, artificial intelligence has the power to profoundly change the very nature of work itself--and this is happening in all kinds of enterprises and across all functions of the organization.

As humans and smart machines collaborate ever more closely, work processes become more fluid and adaptive, enabling companies to change them on the fly--or completely reimagine them..
